

**Aloha, greater community of Hamakua/Kohala and  
all the beautiful island of Hawai'i**

We are asking for your help relocating and finding positive outcomes for our dogs currently situated at our Rainbow Friends Waimea Shelter next to the Waimea-Kohala Airport. Our landlord has cut short our lease and we want to honor their decision without delay. Our goal is to relocate all the animals situated at Rainbow Friends Waimea by September 1, 2022.

A friend has read of the Waimea shelter plight and is offering to triple match up to \$5000 from the community by August 31 2022! Any funds raised by the community will help with vacating costs/needs, finding temporary/permanent fostering & adoption solutions for the animals.

Please share and network as much as possible in your neighborhoods and communities. Please contact us through our landline in Kurtistown: 808-982-5110

**Please Donate Here - - <https://donorbox.org/help-move-the-waimea-shelter>**

**Mahalo nui in advance for your support!**
